

## **MASTER THESIS**

**Key Technologies and Transfer Procedures /  
An Assesment between Berlin and Bayern**

Key Technologies and Procedures of Technology Transfer to establish and develop sustainable growth should be focussed on.

The Research should involve IHK (chamber of commerce) as well as financing and promotion constitutions. Also commercial should be the role of Technical Universities.

Best Practise Procedures as well as malepractices (case studies) should be taken into consideration.

**Preconditions:**

Sound knowledge in benchmarking .

Prof. Dr.-Ing. Nicolas P. Sokianos
